

Dear Parents and Students,

Please use the attached summer calendars as your child spends time reading books, and using the attached addition and subtraction worksheets to practice facts over the summer. Each time your child spends time on one of these activities simply put a check mark in the box for that date. A calendar has been provided for each month. Calendars may be returned at the beginning of the school year to your child's second grade teacher. Thank you and have a wonderful summer!

Sincerely,

Mrs. Heather Foley and Mrs. Jodi Nankee
