Summer 2018

Dear Parents and Students,

All students entering fifth grade are required to read the assigned novel Hoot by Carl Hiaasen or Shiloh by Phyllis Reynolds Naylor. The students will be notified before break on which novel they have been assigned. The first week of school the students will participate in various activities that go along with Hoot and Shiloh. We advise the students to write down significant events from the book so they can complete the requirements at the beginning of school.

Please take advantage of the IXL program over the summer break, too. Students can use their User ID and Password from 4th grade to access this fun and educational program. To access the website, go to www.ixl.com/signin/stjs, enter your User ID and password. Please work on **mastering the 4th grade skills listed**. Record the time spent and your score on the log. Please complete or redo the skills on the log. Please **do not** complete 5th grade skills because we work on those throughout the school year. Please complete the attached log. Anyone completing 10 hours will receive a special prize!

Sincerely,

Mrs. Gillespie and Mrs. Haas

Summer Math IXL Log

Name:_____ Total time spent: _____ Summer

For the summer months, log your IXL skills. Write down the date, time spent, and skills practiced. Complete the skills listed first. Then, in the blank spaces, record any other 4th grade skills you have worked on. Mastering is 90% or better. Everyone who logs 10 hours receives a special prize. **Due: First day of school**

Date and Time	Skill Practiced	Score
	A.1 Value of a digit	
	A.7 Choose word names	
	B.2 Add up to millions word problem	
	C.2 Subtract up to millions word problems	
	C.4 Subtraction patterns over increasing place values	
	D.19 2-digit x 2-digit word problems	
	D.24 Multiply numbers ending in zero	
	D.26 Multiply 3-digit x 2-digit	
	E.5 Divide 2-digit x 1-digit word problems	
	F.2 Word problems - all operations	
	F.8 Add and subtract with 0's	
	M.7 Price lists-add and subtract	
	N.1 Measure	
	O.5 Elapsed time	
	Q.11 Add/subtract fraction word problems
